## The Prez. Speaks

### Jim W6YI

The contest season is well under way. There have been lots of countries on, except for 10 and 15 meters at this qth. It's a good opportunity to fill in some needed countries and zones. Speaking of which, do not forget to post your country, mode and zone totals on the club web site.

Visalia is on the horizon, be sure to buy your registration package early. Speaking of which, our club will be assisting the SCDXC with registration and raffle ticket sales. Currently, we have only seven members that have signed up! We still need volunteers to help, please send me an e-mail with the day and time it would be best for you to help out.

Everyone keep the radio on, have a good month and remember DX is, Contests are, 73's Jim.

## ATTENTION!!!!!!!

The following 23 members have yet to pay their 2006 dues and face being dropped from membership on March 31, 2006. To avoid this action, please send SDDXC a check for \$10.00 to the Treasurer, 2435 Our Country Road, Escondido, CA 92029-5715:

Please consider renewing for multiple years as many others have done.

### San Diego DX Club Policy on content of

#### DX Bulletin and/or E-mail Reflector

The San Diego DX Club, a group of Amateur Radio operators, interested in the art of DXing, publish a monthly newsletter, and maintains an e-mail reflector where members and officers can post information of interest to other members.

Our policy is to print and/or post only information that is related to Amateur Radio, and not items of a political or religious nature, unless it has an impact on Amateur Radio, such as antenna ordinances, etc.

If a member wishes to have printed/posted any topic that is not Amateur Radio related, they can submit a copy to the club newsletter editor, webmaster, e-mail reflector moderator or any club officer, and the matter will be discussed and decided upon by the Board of Directors.

## MEETING MINUTES

The San Diego DX Club held its regular monthly meeting on Wednesday, February 22, 2006 at the Sizzler Restaurant, Aero Drive and Murphy Canyon Road. The meeting was called to order at 7:00 p.m. by President Jim, W6YI. There were 28 members and guests present.

Hans, formerly HB9ALU, now living in the U.S. was introduced as a guest.

There was no Top Ten award announced at this meeting; however, John, K6AM has encouraged all to update their records on the web site.

The DX Roundtable centered on the subjects of antenna construction and the recent 3Y0X operation on Peter I Island.

Mike Lebo, N6IEF was voted in as a new associate member of SDDXC.

President Jim, W6YI talked about the upcoming International DX Convention in Visalia and the need for SDDXC members to volunteer to assist in putting on the convention. Anyone wishing to volunteer a little time should contact Jim by email.

As the representative from SDG&E was unable to present the program, a video of the 1994 Peter I Island DXpedition was shown. Our own Terry Dubson, K6JL did most of the camera work. There had only eight operators versus the 22 on the current operation. The weather certainly did not cooperate and they experienced snow, sleet, icing and hurricane force winds.

There being no further business the meeting was adjourned at 9:00 p.m.

Respectfully submitted,  
HARRY A. HODGES, W6YOO  
Secretary/Treasurer

Only a few upsets this year as we get 3 stations reporting in with some decent jumps. The recent 3Y0 expedition was no doubt a new one for a lot of us. Other than that, 20 is pretty well worked out, but 80 still has some room to grow. Propagation is usually best on 80 at the bottom of the cycle, and we're getting there fast.

Each month, we will publish top ten lists for one of the lesser recognized but hard won categories. Coming up next, 15 meters, and the WARC bands. Please send me your totals for each band throughout the year and you will be listed in coming months. Use the convenient form at <http://www.sddxc.org> or bring 'em to the meeting.
